ecostrad

Cube
Electric Towel Rail

The Ecostrad Cube Towel Rail is a stylish, modern heater that comes with a choice of four different elements, for tailored heating that perfectly suits any bathroom. The clean lines of the Cube's square bars, in metallic Chrome or matt Anthracite, add sleek sophistication to this electric towel rail. With control options ranging from simple constant heat to innovative WiFi app programming, the Cube is the perfect addition to any modern home.

Towel Rail Control Options

Ecostrad Cube Electric Towel Rails can be paired with one of four heating elements, to ensure the perfect control for your bathroom's heating needs.

Basic Control

This element heats to a constant, non-adjustable set temperature, making it ideal for connecting to a simple on/off switch or an external heating controller.

- Overheating Protection
- Heats to an internal temperature of 65 °C
- Perfect for External Control
- IP68 Rating for Superior Water Protection
- 2 Year Guarantee

Control Head Dimensions	34x28x28 (HxWxD)
Colours	Chrome, Anthracite
Flex	1.2m cable, left or right side, depending on where element is installed. Element arrives separately.
Installation	Hardwired professional installation only. No fitted plug.
Voltage	230V, 50Hz
Protection	IP68, Class I
Warranty	2 years

Thermostatic Control

Warm your towels whilst heating your room to a precise temperature with thermosatic control, and set and forget with the handy countdown timer.

- Simple 4-Button Control Panel
- 1-5 Hour Countdown Timer
- Precise Room Temperature Control up to 35 °C
- Overheating Protection
- 2 Year Guarantee

Control Head Dimensions	90x66x40 (HxWxD)
Colours	Chrome, Anthracite
Flex	1.5m cable, left or right side, depending on where element is installed. Element arrives separately.
Installation	Hardwired professional installation only. No fitted plug.
Voltage	230V, 50Hz
Protection	IP44, Class I
Warranty	2 years

Bluetooth Control

The Terma MOA Blue heating element features intuitive Bluetooth compatibility, a simple 2-button control interface, and app-based 24/7 programming.

- Smart Bluetooth App Control
- 2-Hour Countdown Timer
- Simple 2-Button Control Panel
- 24/7 Programming
- Room and Internal Temperature Control

Control Head Dimensions	66x55x39 (HxWxD)
Colours	Chrome
Flex	1.5m cable, left or right side, depending on where element is installed. Element arrives separately.
Installation	Hardwired professional installation only. No fitted plug.
Voltage	230V, 50Hz
Protection	IPX5, Class I
Warranty	2 years

iQ WiFi Control

WiFi app compatibility, 24/7 programming, and a host of advanced energy-saving features, the iQ WiFi element makes your Cube as smart as it is stylish.

- Control from Anywhere with WiFi App Control
- 4 Modes for Ultimate Flexibility and Comfort
- 8-Hour Countdown Timer
- Frost & Overheating Protection
- Room and Internal Temperature Control

Control Head Dimensions	80x66x50 (HxWxD)
Colours	Chrome
Flex	1.5m cable, left or right side, depending on where element is installed. Element arrives separately.
Installation	Hardwired professional installation only. No fitted plug.
Voltage	230V, 50Hz
Protection	IPX4, Class I
Warranty	2 years

* Radiators measurements exclude the heating element.

* Stated heating areas are approximate, based on usage of the heater at full temperature capacity. If the internal temperature is set at a lower level, effective heating areas will be reduced. Additionally, hanging towels over the product may reduce effective room heating output.
